I completely understand and realize that participating in any activity or renting and using equipment from KV Adventures Inc. (KVA) could include actions, or tasks which might be dangerous or hazardous to me.

By signing below, I agree to the fact that participation can cause harm or injury to me. I release KV Adventures Inc. from any and all liability, costs and damages which could arise during activities involving KVA. I agree to accept responsibility for any injury or treatment. KVA provides and recommends personal floating devices (PFD) for all tubers. Any injury from choosing not to wear the PFD during rental periods is no fault of KV Adventures'.

I understand the rocks are slippery, water shoes were recommended. I understand the conditions and the duration of the river run is dependent on nature (river levels, wind, rain, etc. and my own choices; to stop and swim, to paddle in dead zones, etc.) I understand that KV Adventures Inc. is unable to retrieve me from the river before the end point under the Hammond Bridge. If there are any questions or concerns KVA will do whatever they can to help me over the phone. There is no early river retrieval. Emergencies must be handled through 911.

By signing this document, I consent to all of the above.

Anyone under 18 years of age must be accompanied by a guardian.
